

Newark Computing Services Guest Computer Account / NetID Creation Form

Guest NetID's (Computer Accounts) are available for individuals who are conducting University business and are directly associated with the University, but are not officially on the University's payroll.

With this form you may apply for a Guest NetID to access Newark Computing Services systems.

Submit the form to:

Newark Computing Services Help Desk
Hill Hall, Room 109
360 Martin Luther King Jr. Blvd. Newark, NJ 07102
FAX: (973) 353 -1246

After the form is processed, the applicant will be notified that an account can be created.
